

The ProBeam projector BU53RG offers first-class image quality, powered by DLP laser projection. The screen size ranges from 40" to 300" and offers crystal clear images in native 4K (3840 x 2160). 5,000 ANSI Lumen brightness, 3,000,000:1 contrast ratio and HDR10 support add to the outstanding picture quality. In addition, the BU53RG works in tandem with nearly any source, as it offers a multitude of connectivity options – including 2 HDMI inputs, an Ethernet port, 2 USB connections and Bluetooth.
