

Slim Pack Wired Controller – Red

Compatible with PC and PS4™, the wired Slim Pack Steelplay® controller allows you to play continuously on your console and customize your gaming experience to the maximum.

Thanks to the rear paddles, you can perform complex movements without lifting your thumbs from the joysticks.

"Andrei Kupetz, President of the German Design Council, said: "The best game controller design on the market, full stop."

"I am impressed by Pixminds' ability to reinvent products that we thought were finished."

Gary Shapiro - CEO of the Consumer Technology Association
