

NEXT LEVEL RACING®

FLIGHT SEAT PRO

BOEING MILITARY EDITION

*Can be combined with the Flight Stand Pro to create a complete cockpit (Flight Simulator Pro)

Produced under license from Boeing. Boeing is a trademark of The Boeing Company.

Introducing the Next Level Racing Flight Seat Pro Boeing Military Edition, officially licensed Boeing product and tailored for a broad spectrum of flight enthusiasts. This premium seat features a wide frame for enhanced stability, a center HOTAS mounting pole with adjustable height and angle, and compatibility with major brands like Thrustmaster, VPC Mongoos, and WINWING. For extended comfort during long sessions, it includes a safety footstep, lumbar cushion, seat harness, and various flight plates for diverse throttle and HOTAS setups. Designed for ergonomic support in helicopter and space configurations, and equipped with lockable castor wheels for easy mobility, the Flight Seat Pro Boeing Military Edition is the perfect choice for both professionals and enthusiasts seeking a truly immersive flying experience. Combine the Flight Seat Pro with the Next Level Racing® Flight Stand Pro.
