Innovative Soft Cable Jacket Prevents Tangles, Allows Flexible Bends
Very flexible for convenient on-the-go connections, this ultra-soft silicone-layered jacket avoids nasty tangles in your backpack or laptop bag and feels nice to the touch. Plus, it bends easily for connecting to devices in tight spaces or around obstacles.

Provides Extra Protection Against Certain Bacteria

This added protection makes this Safe-It™ cable an ideal solution for medical facilities, schools, businesses, restaurants/kitchens and anywhere else that needs extra protection against bacteria.
