Titan Shield Screen Protector with mounting frame for iPhone 16e/14/13 Pro/13 - Clear

BECAUSE THE ENVIRONMENT MATTERS

This screen protector includes a paper installation tray. The tray ensures a precise and easy installation of the glass each time. Furthermore, the tray can be recycled as cardboard after use together with the outer box.

This premium, case friendly, clear tempered glass, covers the flat part of the screen. It offers ultimate protection against scratches, chips and cracks. It is 9 times stronger than ordinary glass. An anti-shatter film ensures that small glass pieces are kept in place, should the Titan Shield® break. Thanks to the real glass properties there is no change in color or touch experience when the screen protector is applied. If your device is exposed to excessive force the Titan Shield® is designed to break. The screen protector will absorb most of the force and in most cases protect your display from harm. The Titan Shield® comes with a cleaning kit.

- Case friendly
