

EVOLVE 10

The essential office companion

**PLUG IN & GO**

Evolve 10 is designed for minimum downtime and maximum productivity. With its smart plug & play setup, simply plug the USB-adapter into your laptop and join your meetings in a matter of seconds. No fuss. No stress. Gone are the days of fiddling with settings and wasting time getting online – Evolve 10 is your reliable, professional partner day in, day out.

ESSENTIAL COMFORT

Busy days often mean lots of meetings – but with Evolve 10, you can stay comfortable while getting the job done. Built with lightweight, cushioned earcups this is a work headset that delivers fuss-free, essential comfort. Plus, with an ultra-compact, streamlined design it's easy to pack away, sling in your bag, and accompany you wherever work calls.

AFFORDABLE AUDIO QUALITY

Searching for a professional solution, without the premium price tag? Evolve 10 has got you covered. Built with a powerful noise-cancelling microphone, this is a headset that delivers affordable audio quality on every call. Designed to focus on your voice only and reduce background noise in busy work environments – it's the essential office companion to keep you sounding the part.

WEAR IT YOUR WAY

Everyone has a “good side”. That's why Evolve 10 comes with a fully adjustable boom arm for maximum flexibility, so you can wear the mic on whichever side feels comfiest.

SUSTAINABLE SIMPLICITY

With Evolve 10, you get a professional solution that keeps the planet in mind too. Every set of Evolve 10 headphones is made up of more than 50% recycled plastic. Yep – 50% less waste, without compromising on quality. In fact, it's fully TCO certified to give you total peace of mind on every call. It's the eco-friendly, affordable headset that doesn't cost the earth. Quite literally.

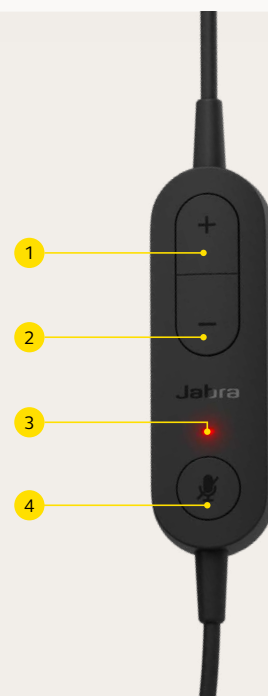

HOW TO SET UP

Plug the Jabra Evolve 10 into a USB-A on your computer.

End of life

Third party verified by Bureau Veritas against ISO 14067-3, ISO 14065 & ISO 14066. Verified in April 2025.

All estimates of carbon footprint are uncertain. Jabra has followed the LCA reporting rules from ISO 14067:2018 and the relevant Product Category Rules (PCR) from PCR-ed4-EN-2021 09 06. The report has been verified according to ISO 14067-3 Specification with guidance for the verification and validation of GHG statements, ISO 14065 Requirements for Validation and Verification, & ISO 14066 Competence requirements for GHG validation teams and verification teams. The scope of the LCA covers a 2 years usage period, using a GLO average based on major slaes regions reflecting the average warranty period and average use case.

Critical review

GN Audio A/S

Lautrupbjerg 7, 2750 Ballerup, Denmark

This critical review concerns the environmental performance of Jabra Evolve 10.

The carbon footprint is documented through an ISO 14067:2018 compliant LCA study.

Object

The critical review has been made on the LCA report "LCA Report Evolve 10"
Cradle-to-Grave.
Version: 07. April 2025

Declaration

Bureau Veritas Denmark affirms that the Life Cycle Assessment study Jabra Evolve 10 has been critically reviewed, following ISO 14040:2008, ISO 14044:2008 and ISO 14071:2014. The method, data, interpretation, and reporting meet all requirements in chapter 6 of ISO 14044/40.
