

# Xiaomi Smart Air Fryer 5.5L

High temperature degreasing for healthier dishes

ID: 55031 SKU: BHR8238EU

[EU Version] Model: MAF15

Enjoy authentic, low-fat and healthy flavours

88.3% reduction in fat and grease compared to traditional fryers.

Efficient roasting at 220°C

High power provides fast temperature increases for even heating. With a maximum temperature of 220°C, you can lock in juices to produce tender food with a crispy outer layer.

### Monitor cooking status without removing the basket

An upgraded window gives a better view. The large 6.8-inch transparent window increases visibility by 80%\*, giving you a full view of your food and better control over how it cooks.

### 30-minute automatic warming

Put food in the fryer and preset the cooking time so your meal is ready when you are. After cooking, food is automatically kept warm for 30 minutes to maintain its crispiness and freshness straight from the basket.

### A myriad of smart recipes

Access more than 100 exclusive recipes by connecting to the Mi Home/Xiaomi Home app. Easily track ingredients and cooking progress on your smartphone.

## Specifications
